Saurian Summer:

Saurian Summer William Kyle, 2005-07 The Saurians built new outposts under the guise of increasing security of their border however the large staging areas discovered hidden in the woods behind them caused the Races of Order concern about a possible invasion A Saurian Invasion would also cause problems for the Demon and the Bursh It would have a major impact on the Master Plan they had been working on for many years The major key to the Plan was the Races of Order did not have a united front and the humans were unorganized but an invasion could change that If the unallied races and the Races of Order united working together they could defeat the Master Plan The Plan was designed for world conquest by the Races of Chaos to happen so quickly that the Elden would arrive too late to help Now had to be modified because the Elden returned to their strongholds after five hundred years due to the invasion threat The Saurians had to be stopped or defeated quickly Unbeknownst to the Elden and the other Races of Order they had allies in the Demon and the Bursh who were taking their own steps

The Beneficiary Janny Scott, 2019-04-16 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A poignant addition to the literature of moneyed glamour and its inevitable tarnish and decay like something out of Fitzgerald or Waugh The New Yorker A parable for the new age of inequality part family history part detective story part history of a vanishing class and a vividly compelling exploration of the degree to which an inheritance financial cultural genetic conspired in one person's self destruction Land houses and money tumbled from one generation to the next on the eight hundred acre estate built by Scott's investment banker great grandfather on Philadelphia's Main Line There was an obligation to protect it a license to enjoy it a duty to pass it on but it was impossible to know in advance how all that extraordinary good fortune might influence the choices made over a lifetime In this warmly felt tale of an American family's fortunes journalist Janny Scott excavates the rarefied world that shaped her charming unknowable father Robert Montgomery Scott and provides an incisive look at the weight of inheritance the tenacity of addiction and the power of buried secrets Some beneficiaries flourished like Scott's grandmother Helen Hope Scott a socialite and celebrated horsewoman said to have inspired Katherine Hepburn's character in the play and Academy Award winning film The Philadelphia Story For others including the author's father she concludes the impact was more complex Bringing her journalistic talents light touch and crystalline prose to this powerful story of a child's search to understand a parent's puzzling end Scott also raises questions about our new Gilded Age New fortunes are being amassed new estates are being born Does anyone wonder how it will all play out one hundred years hence

Prehistoric Monsters Allen A. Debus, 2014-11-21 Over centuries discoveries of fossil bones spawned legends of monsters such as giants and dragons As the field of earth sciences matured during the 19th century early fossilists gained understanding of prehistoric creatures such as Tyrannosaurus Triceratops and Stegosaurus This historical study examines

how these genuine beasts morphed in the public imagination into mythical powerful engines of destruction and harbingers of cataclysm taking their place in popular culture film and literature as symbols of lost worlds where time stands still
