The Havilfar Cycle II Alan Burt Akers, 2007-04-01 For the first time ever the books in the Saga of Dray Prescott of Earth and of Kregen are being brought together in omnibus editions In the first Havilfar Cycle omnibus Dray Prescott was launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio Now Hamal the greatest power in Havilfar is bent on conquest and Prescott hates the Hamalese because he slaved in their diabolical Heavenly Mines His mission is to discover the secrets of the Hamalese airboats for his own people This book contains *Bladesman of Antares* *Avenger of Antares* *Armada of Antares*

The Spikatur Cycle Alan Burt Akers, 2011-03-01 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light The Spikatur Cycle brings Prescott closer to the realization of many of his dreams He is determined to do what he feels is laid upon him but he finds it is not so easy particularly when the Empress Delia and his comrades are determined to keep him out of trouble But he is Dray Prescott Lord of Strombor and Krozair of Zy and that canny old leem hunter will not be prevented from buckling up the brave old scarlet breechclout and hurtling off beneath the Moons of Kregen into fresh headlong adventure with a sword in his fist The marvelous adventures of Dray Prescott on Kregen the world of wonders that orbits the twin suns of Antares in Scorpio have become a science fiction saga to rival and perhaps surpass the works of Edgar Rice Burroughs and others of the heroic fantasy band *Beasts of Antares* Dray Prescott lone Earthman once a pawn of cosmic powers rallies the warriors of Vallia for a final stand against the foes that encircle them Then in an act of true Prescott bravado undertakes single handed to rescue three old friends from slavery in a distant land The beasts of Antares are many and terrifying but Prescott does not belong to the faint hearted and he will need every ounce of courage this time *Rebel of Antares* At last Prescott has come in sight of his goal to overthrow the slavers and their evil empires that he shares with the Star Lords On the island kingdom of Hyrklana his course now seems clear overthrow its decadent queen lead a rebellion against the cruel Arena and free the princess who is its rightful ruler It is a hard task but for Dray Prescott against whom sorcerers and swordsmen have contended it is the only course he could follow *Legions of Antares* For too long the iron legions of the evil empress of Hamal have devastated the neighboring lands and islands of Kregen Dray Prescott has battled Empress Thyliiss all the way and at long last finds himself nearing the end of his long campaign Gathering about himself old allies and former enemies Dray prepares to challenge the empress at the very doors of her capital city until he discovers that she is about to spring her secret weapon the super science of the mad wizard of Loh Allies of Antares Dray Prescott has made himself into a rallying point of strength on Kregen Now after the worst war between the humanoid lands has finally concluded Prescott again confronts the Star Lords only to learn that the hard won peace is just a transition to a great hemispheric invasion that was

even then raiding over the horizon This book contains a glossary of the Spikatur cycle The Havilfar Cycle I Alan Burt Akers,2007-04-01 The chronicles of Dray Prescott of Earth and of Kregen the second omnibus containing three books of the epic series Manhounds of Antares Arena of Antares and Fliers of Antares **The Vallian Cycle** Alan Burt Akers,2015-07-08 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Dray Prescott s happiness with Delia the Princess Majestrix of Vallia is threatened as the notorious Wizard of Loh Phu si Yantong seeks to destroy Delia s father and take control of the empire of Vallia And Prescott is determined to seek the whereabouts of his daughters alienated from him during his forced absence on Earth But the brilliant world of Kregen under Antares will always challenge Prescott with new problems and adventures Dray Prescott knows only too well that he must continue to struggle against himself as well as the malignant fates that pursue him in the mingled streaming lights of the Suns of Scorpio Secret Scorpio Courage and ingenuity has won Dray Prescott a high role in the Vallian Empire and a certain independence from the Star Lords So when a mysterious monster cult begins to undermine the empire and when his own beloved princess becomes a victim of those secret schemers Prescott has to go into action Savage Scorpio Somewhere in the unmapped regions of Kregen lies the hidden city of the Savanti Dray has long sought the locale of his original landing and now the time has come when the search must be completed without delay for the father of his beloved Delia is a victim of assassins Only the Savanti can undo the evil that could shatter all that Dray holds dear in his second planetary homeland Captive Scorpio Prescott has risen high in the empire of Vallia but luck cannot always sustain him All the forces opposed to his lands his princess his emperor and to him personally converge to bring about the darkest hour of his long career With his back to the wall Dray Prescott faces that time of peril with unflinching will until the cruelest blow of all is struck his warrior daughter Dayra rode in the vanguard of his foes Golden Scorpio When you re down there s no place to go but up That s the way the brave think and if there is anyone on two worlds braver than Dray Prescott he has yet to appear Prescott would never give up Single handedly if need be he would be a deadly threat to the enemies of Vallia But as he sets out on a liberation mission incomparable in the history of two worlds he knows he will never be alone This edition contains a glossary to the Vallian cycle *Wildes Scorpio (Savage Scorpio, dt.) Fantasy-Roman* Alan Burt Akers,1981

Renegade of Kregen Alan Burt Akers,2007-04-04 Never before in his adventurous career under the double suns of Antares had Dray Prescott been in as desperate a situation as he found himself on his second entry into the city of Magdag Magdag had been the scene of one of Prescott s earliest experiences on Kregen and he recalled it with loathing as a city of power lusting slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despised all that that city stood for But now Prescott was an outcast Any Krozair any follower of the Red Sun of his former friends would slay him on sight For him there was only one way to recover his home his children his self respect

He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stained his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph **The Jikaida Cycle** Alan Burt Akers,2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on him to lead them to freedom as their emperor Reluctant to accept the imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott s ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott s stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom s door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle **The Krozair Cycle** Alan Burt Akers,2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into

fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the double suns of Antares has Dray Prescott been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescott s earliest experiences on Kregen and he recalled it with loathing as a city of power lusting slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescott is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescott has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno s king had betrayed his champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle Savage Scorpio Alan Burt
