of savagism as reflected in the American writings on Indians that appeared in political pamphlets drama poetry and other writings *Savagism and Civilization* Hubert Howe Bancroft, 2016-10-19 What is civilization What is the act of civilizing To reclaim from a savage or barbarous state to educate to refine What is a savage or barbarous state A wild uncultivated state a state of Nature The terms savage and civilized as applied to races of men are relative and not absolute terms At best these words mark only broad shifting stages in human progress the one near the point of departure the other farther on toward the unattainable end This progress is one and universal though of varying rapidity and extent there are degrees in savagism and there are degrees in civilization indeed though placed in opposition the one is but a degree of the other **The Works of**
