anticipating and resolving common obstacles Clearly written and informative Saving Languages will be an invaluable resource for all those interested in the fate of small language communities around the globe *The Routledge Handbook of Linguistic Anthropology* Nancy Bonvillain, 2015-08-11 The Routledge Handbook of Linguistic Anthropology is a broad survey of linguistic anthropology featuring contributions from prominent scholars in the field Each chapter presents a brief historical summary of research in the field and discusses topics and issues of current concern to people doing research in linguistic anthropology The handbook is organized into four parts Language and Cultural Productions Language Ideologies and Practices of Learning Language and the Communication of Identities and Language and Local Global Power and covers current topics of interest at the intersection of the two fields while also contextualizing them within discussions of fieldwork practice Featuring 30 contributions from leading scholars in the field The Routledge Handbook of Linguistic Anthropology is an essential overview for students and researchers interested in understanding core concepts and key issues in linguistic anthropology Indigenous Language Revitalization in the Americas Serafín M. Coronel-Molina, Teresa L. McCarty, 2016-04-28 Focusing on the Americas home to 40 to 50 million Indigenous people this book explores the history and current state of Indigenous language revitalization across this vast region Complementary chapters on the USA and Canada and Latin America and the Caribbean offer a panoramic view while tracing nuanced trajectories of top down official and bottom up grass roots language planning and policy initiatives Authored by leading Indigenous and non Indigenous scholars the book is organized around seven overarching themes Policy and Politics Processes of Language Shift and Revitalization The Home School Community Interface Local and Global Perspectives Linguistic Human Rights Revitalization Programs and Impacts New Domains for Indigenous Languages Providing a comprehensive hemisphere wide scholarly and practical source this singular collection simultaneously fills a gap in the language revitalization literature and contributes to Indigenous language revitalization efforts *Encyclopedia of Diversity in Education* James A. Banks, 2012-05-17 The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the Encyclopedia of Diversity in Education 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the

Encyclopedia will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this Encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world *Language Contact. Volume 2* Jeroen Darquennes, Joseph C. Salmons, Wim Vandenbussche, 2025-04-21 Targeting a full range of students and scholars this volume provides a total of 50 chapters illustrating the linguistic dynamics and the dynamics of inter individual and societal language contact as well as the dynamics of multidisciplinary language contact studies Fueled by a wealth of data from a rich variety of contact situations its geographically balanced case studies are governed by the triangulation between a focus on language structure and change a sincere drive of sociopolitical and academic agency and the confrontation with an everyday reality that can be unkind to and ignorant of those two factors The volume clearly demonstrates the social relevance of our trade in a time burdened with ecolinguistic challenges *Language Documentation and Description* Peter K. Austin, 2003 *New Media Landscape and Dimensions: An Indian Perspective* Sayak Pal, Noveena Chakravorty, Dr. Sharmila Kayal, Aijaz Ahmad Mir, Dr. A.
