### **Savvy Thirty Days To A Different Perspective:**

**What Happy Working Mothers Know** Cathy L. Greenberg, Ph.D,Barrett S. Avigdor,2009-09-08 A fact based and proven approach to help working mothers rediscover happiness as they balance their duties at home and work Science and sociology have made great strides in understanding what makes us happy and how we achieve it For working mothers who face endless demands on their time and attention What Happy Working Mothers Know provides scientifically proven and practical ways to find the right balance and replace stress with happiness Written by a behavioral scientist and global leadership guru and an international lawyer and career coach this mom friendly guide offers practical tactics that truly work The demands of juggling work and home lead many women to try to do everything and be everything to everyone In the effort to be Superwoman many women lose sight of what makes them happy and they fail to realize how important their happiness is to being a good worker and a good mother The key to being your best at everything you do is to take care of your happiness the way you take care of your health through conscious choices every day You ll learn to overcome obstacles apply lessons learned at work to your motherhood skills and learn lessons from your children that you can apply at work Includes interactive activities that illustrate important lessons in the book Shows you how to use positive psychology to shift from a scarcity mentality to an abundance mentality for workplace success Helps you tap into your own sense of joy every day for your own happiness and the happiness of those around you Science based and packed with real case studies of real working moms Written by authors with impeccable qualifications and real world experience Many moms raise great kids and achieve the professional success they desire and deserve but if they aren t happy what s the point This book doesn t show you how to have it all but how to have all the things that really matter *Power, Politics, and Organizational Change* David Buchanan,Richard Badham,2008-02-19 Many books on management are sanitized cleanly technical accounts of the unreality of managerial life and work Politics hardly feature This book tells it like it is it dishes the dirt gets low down into the funky and fascinating politics of organizational life Stewart Clegg Aston Business School and University of Technology Sydney Combining a practical and theoretical guide to the politics of organizational change this book provides an exceptional resource to students of change management and organizational behaviour Buchanan and Badham show how the change agent who is not politically skilled will fail and that it is necessary to be able and willing to intervene in the political processes of the organization This revised edition includes a range of excellent new material and features including a new chapter on gender in approaches to organization politics a full range of teaching materials including case studies incident reports self assessments and more Each chapter recommends a feature film or DVD to illustrate aspects of organization politics fresh research evidence recent literature on the nature of entrepreneurial politics a model of political expertise and how that can be developed This lively and engaging book is key to MBA and other Masters degree candidates taking courses in change management and organizational behaviour It will also be valuable for practising managers on tailored executive

programmes in organization politics      **Savvy** Billi Lee,1992 Is this another business self help book Yes figuring out who you need to get the job done then getting them to help you You learn to navigate your organizational waters more effectively working smarter not harder Billi Lee walks you around the elephant of business giving you different perspectives on power not empowerment politics P O Box 1436 Colorado Springs CO 80901      CISO Leadership Todd Fitzgerald,Micki Krause,2007-12-22 Caught in the crosshairs of Leadership and Information Technology Information Security professionals are increasingly tapped to operate as business executives This often puts them on a career path they did not expect in a field not yet clearly defined IT training does not usually include managerial skills such as leadership team building c      **The Savvy Christian's Guide to Life** Tracey Lawrence,2011-02-21 The Savvy Christian s Guide to Life tackles 40 life issues for Christians and provides a quick hitting and creative tutorial that includes a powerful overview of the topic followed by keen insights from a variety of experts case studies practical solutions and action steps Topics include Dialoging with people of other faiths Counseling someone who is suicidal Starting and incorporating a new ministry Parenting a rebellious kid Being generous even when money is tight Bringing up spirituality with non Christians in a natural and non threatening manner Discovering individual talents purpose and calling in life and much more      **The ...
