Sawdust Footprints:

Vigils Bernard Seif, 2002-01-30 Openness to letting life unfold and in a sense dancing with it usually resolves most mysteries sooner or later It is the later part that is often the real challenge in life and Monastic life is no exception The schedule of a monastery revolves around the communal prayer marking the various phases of the day and night These liturgical celebrations known as the Liturgy of the Hours anchor the monastic with a certain spiritual stability as he or she lives the mystery Death has no such predictable timetable By popular request Chantal David Abbot Francis and other characters from Office of the Dead are back Their personalities and adventures are presented in a deeper and richer context through Vigils from the Office of the Dead Monasticism and medicine find entirely new ways to synthesize and present themselves through the ecumenical and ethnic medium of Vigils from the Office of the Dead **Woodhill Road** Joel Mader, 2012-11-08 The Woodhill Road neighborhood of Cleveland Ohio was for over half a century the home of common people going about their common lives Home to a group of people with Slavic ancestry this community served as home for those who came from a country that never had an identity of its own They longed to be a part of a nation that they could call their own and so they told their stories of America to their children around the supper table at church picnics and with one another in familiar places One such store is Mader Hardware on Woodhill Road a popular place for men old and young to spend hours at a time More than a place to shop Mader is a place for stories Men settle in and get comfy Tall tales start slow and vague with openings like You wont believe what happened to me today The stories build on each other into a cacophony of culture and experience The stories of these men are an ode to Cleveland an ode to their motherland and an ode to the human experience as they share the little moments that truly mean something in the grand scheme of life **MacMouse Diaries: The rags to riches tale of an Athens Street cat called Mouse** FS Somerville, 2018-08-29 I first saw this little dude on social media more dead than alive battle scarred emaciated and looking hopeless He was being fed by a kind English lady who was appealing for a home far away from the streets of an Athens suburb where he was in grave danger of being poisoned by locals who hated him because of his unusual appearance There was just something about him Call it love at first sight Funds were already being raised for his preparation and travel to UK so when his original home offer fell through I immediately asked if he could come to me and my crazy little furry family **Sweet Revenge** Carolyn Keene, 2014-08-05 Nancy and her pals have come to the rustic Oakwood Inn to indulge in a chocolate festival fantasy Add a dash of Brock Sawyer celebrity taster and one of TV s hottest stars and you have the makings of a perfect weekend But the sweet dream turns sour when Brock is rushed to the hospital poisoned So Nancy gets to work to find out who would want Brock dead **Pantomime** L.R. Lam, 2025-09-11 A VIBRANT TALE LEIGH BARDUGO From the Sunday Times bestselling author of Dragonfall comes the first in a gaslamp fantasy trilogy about a circus aerialist s quest to escape his past and decipher the magical prophecy that will shape his future In a land of lost wonders the past is stirring once more When Micah runs away

from a debutante's life at home and joins the circus he harbours two secrets One he was born between male and female And two he may have powers last seen in mysterious beings from an almost forgotten age As Micah discovers the joy of flight as an aerialist courting his trapeze partner Aenea and confiding in the mysterious white clown Drystan he finally feels free But the circus has a dark side and Micah's past isn't done with him Meanwhile the strange ghost of a woman with damselfly wings whispers to Micah that only he can help magic return to the realm and he fears she may be right Micah has much to learn and he must do it quickly before his past and future collide with catastrophic consequences A gorgeous and inventive fantasy with queer elements inspired by Victorian Scotland L R Lam weaves a coming of age tale stirrings of first love and prophetic whispers into this unforgettable first installment of the Micah Grey series READERS LOVE IT Lushly written and beautifully imaginative It was beautiful exciting and thought provoking The worldbuilding was so deeply immersive A luscious intricately imagined tale of identity love terror freedom and magic I was hooked from the start and enjoyed the rollercoaster all the way to the end

In The Name of a Traitor 3 ZHANG RAN, This is a world of dualities where an astrologer apprentice burdened by the prophecy of Seglais struggles through chaos to find the trajectory of the world machine's gears Meanwhile revolutionaries with ultimate dreams navigate the intangible web of quantum computers As their personalities draw closer secrets buried deep within the genesis core of quantum computing begin to emerge leading to unprecedented changes in both worlds No harems no stallions no time travel no cockroaches This is a literary feast crafted by an author who writes with heart for readers who read with intent Reading is not fast food take your time to experience these two real worlds You might not grasp everything in the first few chapters but don't worry keep going and the story will gradually become clear

America's Safest City Simon I. Singer, 2014-10-10 Winner of the American Society of Criminology 2015 Michael J Hindelang Book Award for the Most Outstanding Contribution to Research in Criminology Since the mid 1990s the fast growing suburb of Amherst NY has been voted by numerous publications as one of the safest places to live in America Yet like many of America's seemingly idyllic suburbs Amherst is by no means without crime especially when it comes to adolescents In America's Safest City noted juvenile justice scholar Simon I Singer uses the types of delinquency seen in Amherst as a case study illuminating the roots of juvenile offending and deviance in modern society If we are to understand delinquency Singer argues we must understand it not just in impoverished areas but in affluent ones as well Drawing on ethnographic work interviews with troubled youth parents and service providers and extensive surveys of teenage residents in Amherst the book illustrates how a suburban environment is able to provide its youth with opportunities to avoid frequent delinquencies Singer compares the most delinquent teens he surveys with the least delinquent analyzing the circumstances

that did or did not lead them to deviance and the ways in which they confront their personal difficulties societal discontents and serious troubles Adolescents parents teachers coaches and officials he concludes are able in this suburban setting to recognize teens need for ongoing sources of trust empathy and identity in a multitude of social settings allowing them to become what Singer terms relationally modern individuals better equipped to deal with the trials and tribulations of modern life A unique and comprehensive study America's Safest City is a major new addition to scholarship on juveniles and crime in America Crime Law and Social Change's special issue on America's Safest City *Kratochvil v.
