*Grow Your Value* Mika Brzezinski, 2015-05-12 A woman who wants to be successful must make sacrifices, but how can she determine which ones she'll be happy with five, ten, twenty years from now?

Mika Brzezinski, Morning Joe co-host and New York Times best-selling author of *Knowing Your Value*, has built a career on inspiring women to assess and then obtain their true value in the workplace. In her books and in her conferences, Mika gives women the tools necessary to advocate for themselves and their financial futures. But that is only the first step: once you know your value, you need to grow it, both professionally and personally.

Drawing on deeply revealing conversations with powerful and dynamic women, input from researchers and relationship experts, and her own wealth of experience, Mika helps women pinpoint their individual definition of success. She advises her readers to define the professional value that encompasses their worth in the workplace and the inner value made up of their core beliefs and goals. Women can stop feeling overwhelmed, overscheduled, frantic, and forever guilty, but only if they choose their objectives confidently and unapologetically and focus their efforts accordingly. Mika encourages women to stop seeking the unobtainable work-life balance and instead pursue a life of honesty and authenticity where career and home life combine rather than collide.

**At the Speed of Gus** Richard Scrimger, 2025-12-02 A smartly funny and sympathetic story about being different and understanding that there is more than one way to see the world. This new novel from middle grade master Richard Scrimger will reach so many kids who need to see that their brains are a gift. When in doubt, go your own way. Augustus Constantine's brain moves fast and not necessarily on a straight track. Gus has ADHD and he's on medication to help him focus. Sometimes it feels like the best thing about him, and sometimes it lands him in a load of trouble. When Gus takes morning announcements wildly off script, he hears nothing but laughter from fellow students at Pendrell Elementary. But he has finally pushed Miss Funn, who's anything but, and Principal Gorby, who's getting tired of Gus's endless jokes and unfiltered stream of consciousness, and now he's going to be suspended for three whole days. With nothing else to do, Gus takes up his sister's invitation to take the ferry to meet her at her college. But on the ferry, Gus's thoughts begin to race. He's having trouble concentrating and can't calm down. The ride gets wilder and wilder, and the reader follows.
