Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it
can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the
heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for
cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the
world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down
His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What
we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary
richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary
adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet
healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing
firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the
Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and
otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it
will soon be again *Sapphire Heart* Hayton Monteith,1987 **New York Magazine** ,1983-01-17 New York magazine was
