Sarah Wentworth Mistress Of Vacluse:

Sarah Wentworth, Mistress of Vacluse Carol Liston, 1988 Colonial Ambition Peter Cochrane, 2016-10-18 Colonial Ambition tells the story of the politicians and would be politicians of Sydney who were driven by a determination to lift themselves and their new colony to a higher level They wanted parliamentary liberty though they were sharply divided over the form it might take and these divisions centred in Sydney were unremitting Peter Cochrane tells of the fight for responsible government and democracy through a memorable cast of characters W C Wentworth Sir George Gipps Robert Lowe Lord Howick Earl Grey Henry Parkes Charles Cowper Lord John Russell and more all of whom speak for themselves in the robust language of the day Written with great brio and verve Peter Cochrane has brought to life the various players in a way that is very rare in the writing of Australian history Colonial Ambition is testament that Australia does have a rich and exciting political history Scandal In The Colonies McKenzie, Kirsten, 2013-06-18 In 1830s Sydney a visiting aristocrat Viscount Lascelles is exposed as a former convict In Cape Town during the same decade veiled accusations of incest and murmurs about a concealed pregnancy surround the family of the Chief Justice Sir John Wylde In these British colonies the divide between the respectable and the disreputable is not as vast as might first appear Rumour and hearsay muddy the lines between public and private worlds and ensure that secret transgressions do not remain secret for very long Scandal in the Colonies explores how colonial societies offered European settlers the opportunity to invent new identities an opportunity exploited with a vengeance But as people goods and correspondence crossed the imperial realm scandal was never far behind In this lively and richly researched book Kirsten McKenzie uncovers the hidden stories of two port towns that were rife with gossip and dubious reputations She argues that scandal influenced imperial policy and became a key element in the emergence of societies divided by class and race Touching on themes such as masculinity and commercial culture female sexuality in civil litigation and gossip in political culture McKenzie offers a fresh and engaging approach to colonial history
