It is the essential link to our literary past and present Politics, Satire, and Historical Consciousness in Contemporary American Novel Olena Boylu, 2022-11-01 What is the role of the historical and political novel in our lives Is it just a story from the past or does it shape our historical consciousness Can we rely on the information within this type of fiction According to many historicists we cannot However we can also question numerous ideologically shaped history books that look more like fiction than scientific sources Hence historically and politically loaded fiction has an equal chance in the formational process of our historical consciousness Besides through satire and humor which a scientist omits in a history book a novelist manages to affect its reader on a different scale and leave a deeper trace As E L Doctorow once stated The historian tells you what happened The novelist will tell you what it felt like Hence this study analyzes several significant concepts such as historiography historical consciousness power its elements and the way it operates traces major characteristics of historical and political fiction and determines the role of satire within them Eventually through the analysis of several prominent contemporary novels it provides vivid examples of all the concepts that have been discussed Study in Depth: Reading Improvement Program Doris Wilcox Gilbert, 1966 *The Literary History of the American Revolution* Moses Coit Tyler, 1897 1763-1776 Moses Coit Tyler, 1897 *The Literary History of the American Revolution, 1763-1783* Moses Coit Tyler, 1897 *A Library of American Literature: Literature of the republic, pt. 4, 1861-1888 (continued) Additional selections, 1834-1889.
