Savage And The City In The Work Of T.S. Eliott:

The Savage and the City in the Work of T.S. Eliot Robert Crawford, 1987 Primitive and metropolitan life nourished T.S. Eliot's imagination and emerged as recurrent themes in his work. Examining these twin concerns, Robert Crawford sheds new light on the poet's achievement, particularly those works that culminated in *The Waste Land* and *Sweeney Agonistes*, and clarifies Eliot's relentless obsession with savages and sophisticates.

The Savage and the City in the Work of T.S. Eliot Robert Crawford, 1985 *Culture, Empire, and the Question of Being Modern* C. J. Wan-ling Wee, 2003-01-01 Culture, Empire, and the Question of Being Modern explores the problematic formation of national culture within modern English society. In this ambitious work of post-colonial and cultural theory, C. J. Wan-ling Wee investigates the complex interaction between a modern industrialized metropolitan and progressively rational English national culture and a nationalistic imperial discourse interested in territorial expansion and the valorization of an idealized agrarian past. Starting with the Victorian era, the work documents the complex relationship of concepts such as home and frontier and Englishness and colonialism through an analysis of key literary-cultural figures in their historical contexts: Rudyard Kipling, Charles Kingsley, T.S. Eliot, and V.S. Naipaul. Wee brings the discussion of modernity into the present with a consideration of post-imperial Singapore, a neo-traditionalist modern society that reworks many of the colonial tropes and contradictions to investigate the ambiguities and contradictions revealed in the West's engagement with modernity.

The Materiality of Literary Narratives in Urban History Lieven Ameel, Jason Finch, Silja Laine, Richard Dennis, 2019-08-12 The Materiality of Literary Narratives in Urban History explores a variety of geographical and cultural contexts to examine what literary texts grasped as material objects and reflections on urban materialities have to offer for urban history. The contributing writers approach to literary narratives and materialities in urban history is summarised within the conceptualisation of materiality in literature: the way in which literary narratives at once refer to the material world and actively partake in the material construction of the world. This book takes a geographically multipolar and multidisciplinary approach to discuss cities in the UK, the US, India, South Africa, Finland, and France whilst examining a wide range of textual genres from the novel to cartoons, advertising, copy architecture, and urban planning and archaeological writing. In the process, attention is drawn to narrative complexities embedded within literary fiction and to the dialogue between narratives and historical change. The Materiality of Literary Narratives in Urban History has three areas of focus: literary fiction as form of urban materiality; literary narratives as social investigations of the material city; and the narrating of silenced material lives as witnessed in various narrative sources.

Modernist Writing and Reactionary Politics Charles Ferrall, 2001-02 Ferrall offers insights into the relation between modernist aesthetics, technology, and politics.

The Great American Songbooks T. Austin Graham, 2012-12-12 In the late nineteenth and early twentieth centuries, American authors pioneered a mode of musical writing that quite literally

resounded beyond the printed page Novels gained soundtracks poetry compelled its audiences to sing and the ostensibly silent act of reading became anything but The Great American Songbooks is the story of this literature at once an overview of musical and authorial practice at the century's turn an investigation into the sensory dimensions of reading and a meditation on the effects that the popular arts have had on literary modernism The writings of John Dos Passos Theodore Dreiser T S Eliot F Scott Fitzgerald Langston Hughes Jean Toomer and Walt Whitman are heard in a new key the performers and tunesmiths who inspired them have their stories told and the music of the past long out of print and fashion is recapitulated and made available in digital form A work of criticism situated at the crossroads of literary analysis musicology and cultural history The Great American Songbooks demonstrates the importance of studying fiction and poetry from interdisciplinary perspectives and it suggests new avenues for research in the dawning age of the digital humanities

Tiresian Poetics Ed Madden, 2008 Blind seer articulate dead and mythic transsexual the figure of Tiresias has always represented a liminal identity and forms of knowledge associated with the crossing of epistemological and ontological boundaries In twentieth century literature the boundaries crossed and embodied by Tiresias are primarily sexual and the liminal and usually prophetic knowledge associated with Tiresias is based in sexual difference and sexual pleasure Indeed in literature of the twentieth century Tiresias has come to function as a cultural shorthand for queer sexualities This book argues for the emergence of a Tiresian poetics at the end of the nineteenth century As Victorian and modernist writers reimagined Ovid's tale of sex change and sexual judgment they also created a poetics that grounded artistic or performative power in figures of sexual difference most often a feminized often homosexual male body which this study links to the developing discourses of homosexuality and sexual identity

Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Savage And The City In The Work Of Ts Elliott : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
