## Savage Girl:

**Savage's Woman** Loki Renard, 2014-02-20 Over the past few years smart mouthed savant Zora Matthews has been kidnapped incarcerated soundly spanked and forced to work for both the government and rogue mercenary forces alike It s been a rough ride for the independent and oh so rebellious brat who bows to no man save one Now she s free and finally with the hard nosed military man who started the whole troublesome saga by snatching her out of her life and putting her firmly over his knee As long as they keep their heads down they can live a normal life or so they think It turns out that being normal is much more difficult than either Zora or Savage anticipated When the military discovers their location and Zora and Savage must leave their simple life go on the run one last time she can t help but notice that he doesn t seem to mind too much Whilst hiding Zora has to face the issues they ve both been avoiding Can they ever run far enough to escape the government And does Savage really want to In the fast paced hard hitting conclusion to the Military Discipline series Zora and Savage must face the ultimate obstacles to their love themselves

**Flicker** Jeanette Prather, 2009-10-16 The world is like a twilight zone for the brain we all thrive within our own planes and write our own stories We need to constantly shed our own sparkling histories in order to welcome momentary and fleeting infinite possibilities with open arms because it s in these moments where the beauty in love and life lie Now go live

Munsey's Weekly , 1894
