God, Help Me! Janice Anderson, 2015-08-28 In 1986 Janice Anderson suffered one of the most devastating losses imaginable when a car accident caused by a drunk driver took the lives of her beloved husband and two children Trapped in the wreckage alongside them on that hot July afternoon she cried out to God before losing consciousness This is the remarkable story of how Janice learned to let God guide her through the hours days and years that followed Janice knows firsthand about anger grief fear and disappointment But because of her unwavering faith she also knows about forgiveness healing courage hope and even joy Is God responsible for terrible things happening to people Is suffering what makes us strong How can we learn to acknowledge our past yet live in the present Janice's experience has led her to examine these universal questions and others and her search both comforts and inspires Perhaps you have gone through tragedy of your own Perhaps you need help releasing anger and pain and focusing on the positive Whatever your circumstances you may find yourself in Janice's story a testimony to God's patience love and awesome power *You Look at Sky, Save My Life* Gu

Stephen Dixon,2012-06-11 A massive tome from one of America's greatest living writers Stephen Dixon's work has earned him a Guggenheim Fellowship the American Academy Institute of Arts and Letters Prize for Fiction the O Henry Award and the Pushcart Prize Fantagraphics Books is proud to re-present his 2010 hardcover collection of short stories What Is All This in paperback form Dixon's finely chiseled sentences cut to the quick of people's lives None of these stories have been collected in any book before they have appeared in a wide variety of literary journals over almost 40 years and Dixon has entirely rewritten all of them Dixon admirers will be cheered to learn that these stories comprise a wholly original work Centrally concerning himself with the American condition Dixon explores obsessions of body image the increasingly polarized political landscape sex in all its incarnations and the gloriously pointless minutiae of modern life from bus rides to tying shoelaces Using the canvas of his native New York he astutely captures the edgy madness that infects the city through the neuroses of his narrators with a style that owes as much to Neo Realist cinema as it does to modern literature *Save Me Stranger*
