Tracy Hartman, 2011-11-17 From prostitutes to polygamy witches to widows foreigners to slaves the Bible is full of texts about women who have been classified as other and pushed to the margins of society In the academy feminist liberation and post colonial theologians have challenged the disparaging categorization of these biblical women and redefined them as sacred insiders whose contributions to Judeo Christian history offer ongoing lessons about the inclusive nature of God Letting the Other Speak Proclaiming the Stories of Biblical Women helps pastors Christian educators professors and theological students bring the stories of six controversial biblical women to congregations by surveying historical and contemporary exegetical work on each passage modeling exegesis a congregation in preparation for moving from text to sermon and providing two sample sermons one prophetic and one pastoral for each text **Preaching Words** John S. McClure, 2007-01-02 John McClure's *Preaching Words* highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today's preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching *The Divine Voice* Stephen H. Kirk-Duggan, 2003 The Bible is hardly the first text that comes to mind when one considers gender sex and violence yet the first four chapters of the Bible narrate the creation of the first couple gender procreation sex and the first murder violence Recognizing the centrality of these motifs in the biblical text and the modern world the essays in *Pregnant Passion* explore the dynamics intersection and relatedness of gender human sexuality and violence in the Bible with themes spanning feasts and famines betrayal and bloodshed seduction and sensuality power and politics virtue and violence From publisher's description **American Book Publishing Record**, 1999 **Forthcoming Books** Rose Arny, 1999 *The Bibliotheca Sacra*, 1870 *The Ladies' Repository*, 1870 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Silent Voices** Brenda Ayres, 2003-04-30 Some of the greatest English novels were written during the Victorian era and many are still widely read and taught today But many others written during that period have been neglected by scholars and modern readers alike A number of these novels were written by women and were popular when published Moreover they reveal perspectives of 19th century British culture not present in canonized works and therefore revise our understanding of Victorian life and attitudes With the increasing interest in revising Victorian history and gender scholarship especially through the rediscovery of lost texts written by women this book is a timely and much needed study The expert contributors to this volume argue the value of novels by such Victorian women writers as Grace Aguilar Catherine Crowe Charlotte Elizabeth Tonna Annie E Holdsworth Ella Hepworth Dixon Flora Annie Steel Anne Thackeray Sarah Grand Marie Corelli and others Most of the chapters address numerous works by a particular

writer Each focuses on different social issues as well though most of them share an interest in gender politics Topics discussed include a 19th century Jewish novelist s navigation through Protestant spirituality the relationship of noncanonical governess novels to class and gender issues and forgotten works by women crime writers Other chapters analyze how women writers impelled social reform and subverted patriarchally defined religious issues **Silent Voices, Sacred Lives** Barbara Ellen Bowe,1992 Supplementary readings for the liturgical year that assist in the recovery of women s sacred memory
