Can Cities, States and Regions Save Our Planet? Arnault Barichella, 2023-06-19 This book examines the potential for cities states and regions to take decisive action on climate change at the local level Local action constitutes an essential component of global efforts to keep temperatures below the 2 C Paris Agreement threshold Focusing on three green municipal leaders New York Boston and Paris this volume examines their multilevel interactions with higher governance echelons in the United States and France Even though these countries are located on different continents similar patterns emerge on both sides of the Atlantic This book explores the key role of municipalities and sub state entities in shaping the climate policy agenda vis vis national governments in the US and France It argues that inadequate articulation of multilevel governance may jeopardize efforts to limit global temperature increase below the 2 C threshold by the end of the century

Let's Save Our Planet: Forests Jess French, 2020-09-29 This book is printed on responsibly sourced 100% recycled FSC paper and using soy inks Do you want to make a difference and help change the world If the answer s yes then this book is for you Turn the pages and discover everything you need to know about deforestation and the ways we can tackle it From scientists and conservationists helping to protect forest creatures to tech inventions like robot tree planters this book helps children aged 8 and up to discover the incredible solutions to deforestation that are being worked on around the world right now Readers can begin by exploring different forest types around the world discovering what makes each of them precious and unique before taking a look at the causes effects and solutions to deforestation The final section explores what readers can do to help Filled with guides tips and lessons in how to use your voice and change your habits these pages help readers learn how they can make a difference With engaging text by Dr Jess French presenter of Minibeast Adventure with Jess on CBeebies and stunning artwork by Alexander Mostov illustrator of D Day Untold Stories of the Normandy Landings Inspired by 20 Real Life People this book will teach readers young and old how to better protect and conserve our forests What an inspirational book this is packed with foliage facts and verdant images There is extensive information on how readers can help save forests now and in future
